JJ**Amendment to the Claims**

1. (currently amended) A method for requesting approval for accessing a resource
5 In a system of resources, comprising the steps of:
creating a resource profile including at least one resource, wherein said at least
one resource profile has an owner;
a manager creating a job profile ~~that is related to~~ including at least one user
~~object construction, said object construction representing a job function or functions;~~
10 said manager requesting of said resource owner approval for access by said job
profile to said at least one resource;
responsive to said resource owner granting approval, assigning said job profile to
said resource profile; and
~~requesting once that said resource owner approve said job profile to access said~~
15 ~~resource profile, such that any user subsequently assigned to said job profile by said~~
manager automatically gains approval and access to said at least one resource
Included in said resource profile.
2. (original) The method of Claim 1, wherein said requesting step automatically
20 originates from said assigning step.
3. (original) The method of Claim 1, wherein said resource profile includes at
least one computing device.
- 25 4. (original) The method of Claim 3, wherein said resource profile includes at
least one software module.
5. (original) The method of Claim 1, wherein said job profile includes at least
one job.
- 30 6. (original) The method of Claim 1, wherein said job profile includes at least
one role.
